REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: a page layout template for generating a document including a hierarchy of boxes where the hierarchy includes a fixed exterior bounding box and one or more interior boxes with one or more variable dimensions that can be converted into one or more fixed dimensions with predetermined defined size specification is disclosed by PowerPoint 2000. Also, a page layout template with one or more variable interior boxes that can be changed according to the size of the display screen is disclosed by Templeman (5,845,303). However, a page layout template including a hierarchy of boxes where the hierarchy includes a variable exterior bounding box having one or more variable dimensions that have an undefined size specification, and one or more variable interior boxes contained in the exterior box, the one or more interior boxes forming one or more interior boxes in one or more lower levels of the hierarchy, and where the exterior bounding box can be converted into one or more fixed dimensions, each having a defined size specification, was not disclosed by, and would not have been obvious to a person of ordinary skill at the time of the invention over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
